

The NMRPC forums are offered as a free service for members to communicate, buy, sell, trade and barter between each other.

To **post a new thread** you need to be a **registered NMRPC club member** and you need to have made several posts in the forums.

Post editing history is enabled so that moderators can reference changes in the case of any disputes, changes or deletions.

Try to put a guide price on items you are offering for sale. If you don't have a price in mind, ask for *offers around* a guideline figure. This is very helpful to prospective buyers and reduces "How much?" type replies and PMs.

NO AUCTIONS PLEASE.

Please also take note of the following when using the classifieds:

- No ads for, drugs, alcohol, tobacco or anything obscene or illegal - please use your common sense.
- **Commercial advertisements are not permitted.**
- Please **do not bump** your advertisements.
- **Please only reply if you are interested in the item/s being offered.** Pricing comments and off-topic posts may be removed.

If you are selling your items elsewhere at the same time, such as on eBay or forum, please mention it in your advert.

Sold / Sorted / Withdrawn

It's up to you to mark your sales, auctions and exchanges as completed or withdrawn, so once your items are no longer available please click on **Thread Tools > Edit Thread** (at the top) and change the start of your thread to either - **SOLD:** or **COMPLETED:** or **SORTED:** or **WITHDRAWN:**
